RE: ASHCREEK WATER COMPANY
DOCKET NO. W-02494A-07-0286 - DECISION NO. 69734

In Decision No. 69734, dated July 30, 2007, the Arizona Corporation Commission ("A.C.C." or "Commission") approved the application of Ashcreek Water Company ("Ashcreek" or "Company") for a moratorium on new connections. The Company has contacted Staff seeking assurance that it may begin providing service to new customers.

Decision No 69734 ordered that Ashcreek comply with recommendations appearing in Findings of Fact No. 10 within the decision. Amongst other things, Finding of Fact 10 specifically defined the terms under which the moratorium could cease:

"...the moratorium remain in effect until Ashcreek files a copy of the ADEQ Approval of Construction ("AOC") for the Ashcreek System facility improvements."

The Company filed the required Arizona Department of Environmental Quality ("ADEQ") Approval of Construction ("AOC") with the Commission in September 2009. Staff's compliance records reflect that the Company is in compliance with the ADEQ AOC requirement of Decision No. 69734.

Based on the above, Staff concludes that the Company has complied with the requirement stated in Decision No. 69734 for the termination of the moratorium. Therefore, notice is given to the Company that the moratorium has been lifted and that Ashcreek may begin connecting new customers.
